Annexure

e-KYC Process

- (i) The Customer desirous of purchasing mobile connection shall visit an authorized Point of Sale (PoS) of Licensees or the PoS agent visits the home/office of the customer.
- (ii) The Licensees shall utilize the details of its PoS/PoS Agent already available in its database for activation of mobile connections. For this purpose, the demographic details as received from the UIDAI during onboarding of the Point of Sale (PoS) or PoS agent shall be maintained by the Licensee and the same shall be updated from UIDAI on regular intervals.
- (iii) Customer shall authorize UIDAI through Aadhaar authentication using Aadhaar number/Virtual-ID and biometrics to provide his/her demographic data (name, complete address, date of birth, gender) along with photograph to the Licensee and UIDAI shall provide the same in a digitally signed and encrypted format.

For this purpose, following declaration/consent shall be taken from the customer:

- *I am voluntarily using Aadhaar based e-KYC process for acquiring the SIM.*
 - *I hereby give my consent to use my Aadhaar number/Virtual-ID and biometrics for sharing the eKYC details (demographic data and photograph) to the (TSP name) for issuing of mobile connection to me*
 - *I have been informed by the PoS regarding the two existing alternate processes of acquiring SIM viz. Paper based process and D-KYC process.*
 - *My biometric authentication can be treated as my signature.*
- (iv) The demographic details of customer along with photograph received from UIDAI shall automatically get captured by the Licensee in the Customer Application Form (CAF) generated in its system. It shall be ensured by the Licensee that only Name of the customer (as received from UIDAI) captured on the CAF, shall be visible to the PoS agent and data shall not be stored on the PoS device. Other details such as "No. of mobile connection held in the name of customer, Tarrif plan etc" in CAF shall be entered by authorized PoS agent on the basis of information furnished by customer.
 - (v) The Live photograph of the customer is taken by PoS agent with date and time stamp.
 - (vi) In case of outstation customer, following shall be supplemented: -

Surekha Kumari
21.09.2021

- a) The outstation customer shall also provide his/her local residential address.
 - b) For local reference, the name, address and contact number of local reference shall be provided by the outstation customer.
 - c) An One Time Password (OTP) shall be sent to the mobile number of local reference and it shall be validated for the local reference.
- (vii) In case of Bulk mobile connection, customer is replaced by Authorised Signatory in (i) to (v) above. The live photograph of the following original documents shall also be captured by the PoS agent:
- a) Document that establishes the identity and address of the entity/company /organizations.
 - b) Authorization letter for Authorized Signatory (Board Resolution/Letter from Proprietor or Partner/Letter from the person authorized to issue the same showing delegation of authority).
 - c) End user list.
- (viii) Before activation of the mobile connection, the authorized representative of Licensee or the IT system of Licensee shall check and verify that:
- a) All the entries in the CAF & Licensee's database for the respective customer are complete and there is no error apparent on the face of records of the customer in the CAF & database.
 - b) Live photograph of the customer matches with the photo received from the UIDAI.
 - c) No Gibberish information (a single nonsensical word or a group of nonsensical words) is stored in the CAF and Licensee's database.
- (ix) The CAF shall be digitally created and digitally signed by authorized representative of the Licensee and then only the SIM card can be activated by the Licensee. If the verification as mentioned above is done automatically by an IT system, then digital signature shall not be applicable.
- (x) The date and time of the SIM activation shall be captured in the database records and CAF of the customer.
- (xi) Only one mobile connections per day can be issued to a customer using this process in case of individual/outstation customer.
- (xii) The above-mentioned e-KYC process is an alternative process in addition to the existing process of issuance of mobile connections and shall be applicable to Local, Outstation and Bulk customers.
- (xiii) The e-KYC process shall be applicable for all Licensed Service Areas (LSAs) including J&K, North East and Assam LSAs.

OTP Based Conversion

- i. Any subscriber desirous of conversion of his/her existing mobile connection from Prepaid to Postpaid or vice-versa shall send a request to the Licensee. The request may be sent via SMS, IVRS, website or authorised app of the Licensee.
- ii. Upon receiving the request, a message will be sent to the subscriber's mobile number that he/she has requested for conversion of his/her number from Prepaid to Postpaid or vice-versa. The message shall include a unique transaction-Id and a One-Time Password (OTP).
- iii. The successful validation of the OTP, through SMS, IVRS, website or authorised app of the Licensee as the case may be, shall be treated as the consent of the subscriber for the conversion from Prepaid to Postpaid or vice-versa.
- iv. After the completion of conversion, a text message containing the confirmation of the conversion requested by the subscriber shall be sent to the subscriber's mobile number.
- v. The disruption of services, if any, during the said conversion shall not exceed 30 minutes.
- vi. The details (request of the subscriber, date and time of request, unique transaction-id, OTP consent, date and time of conversion, current status etc.) of all conversions in respect of a mobile connection shall be maintained by the Licensee in its system.
- vii. A subscriber shall be allowed to re-convert only after 90 days of previous conversion. This shall also be intimated by the Licensee to the subscriber before the start of conversion process.
- viii. The above-mentioned process shall be applicable for mobile connections issued by Paper-based process, e-KYC process and D-KYC process. This will be an alternate process to the existing process of conversion in place. The process shall also not be applicable for Bulk mobile connection category.
- ix. Implementation of the process for conversion from Prepaid to Postpaid and Postpaid to Prepaid shall be simultaneous.

Security restrictions

- i. This conversion process shall not be applicable for mobile connections of J&K LSA.
- ii. The mobile connections converted from Prepaid to Postpaid using this process shall not be allowed roaming facility in J&K LSA.
- iii. No change in ownership and/or demographic details of the subscriber is permitted.
- iv. The SIM card shall remain in the possession of the subscriber and no change of SIM is allowed.

Press Note No. 4 (2021 Series)

Subject: Review of Foreign Direct Investment (FDI) Policy on Telecom Sector.

The Government of India has reviewed the extant FDI policy on Telecom sector and has made the following amendment under the Consolidated FDI Policy Circular of 2020, as amended from time to time (FDI Policy):

Para 5.2.14 of the FDI Policy is amended to be read as under:

5.2.14 TELECOM SERVICES

Sector/Activity	% of Equity/ FDI Cap	Entry Route
<p>5.2.14.1 Telecom Services (including Telecom Infrastructure Providers Category-I)</p> <p>All telecom services including Telecom Infrastructure Providers Category-I, viz. Basic, Cellular, Unified Access Services, Unified license (Access services), Unified License, National/International Long Distance, Commercial V-Sat, Public Mobile Radio Trunked Services (PMRTS), Global Mobile Personal Communications Services (GMPCS), all types of ISP licenses, Voice Mail/Audiotex/UMS, Resale of IPLC, Mobile Number Portability services, Infrastructure Provider Category-I (providing dark fibre, right of way, duct space, tower), Other Service Providers and such other services as may be permitted by the Department of Telecommunications (DoT).</p>	100%	Automatic
<p>5.2.14.2 Other Conditions:</p> <p>The licensing, security and any other terms and conditions as specified by Department of Telecommunications from time to time, shall be observed by licensee/entities providing services as referred in Para 5.2.14.1 above, as well as investors.</p>		

2. It is clarified that notwithstanding the provisions of Para 5.2.14 of the FDI Policy as amended above, foreign investment in Telecom Services will be subject to the provisions of Para 3.1.1 of the FDI Policy [as amended vide Press Note 3 (2020 Series) dated 17.04.2020]. Accordingly, cases requiring prior Government approval under the provisions of Para 3.1.1 of the FDI Policy, will continue to be on the Government route.
3. The above decision will take immediate effect.

All UAS Licensees

Subject: Amendment in UAS license for rationalization of Bank Guarantees.

As per condition 5.1 of the UAS License Agreement, the LICENSOR reserves the right to modify at any time the terms and conditions of the LICENSE, if in the opinion of the LICENSOR it is necessary or expedient to do so in public interest or in the interest of the security of the State or for the proper conduct of the telegraphs. In pursuance of this condition the LICENSOR hereby amends the following clause in UASL agreement:

S No.	Existing clause	Amended clause
1	<p>21.2 Financial Bank Guarantee:</p> <p>The LICENSEE shall submit a Financial Bank Guarantee (FBG), valid for one year, from any Scheduled Bank or Public Financial Institution duly authorized to issue such Bank Guarantee, in the prescribed Performa annexed. Initially, the financial bank guarantee shall be for an amount of Rs. 50 / 25 / 5 Crore (for category 'A' / 'B' / 'C' service areas respectively) which shall be submitted before signing the License agreement. Subsequently, the amount of FBG shall be equivalent to the estimated sum payable equivalent to license fee for two quarters and other dues not otherwise securitized and any additional amount as deemed fit by the Licensor. The amount of FBG shall be subject to periodic review by the Licensor and shall be renewed from time to time till final clearance of all dues.</p>	<p>21.2 Financial Bank Guarantee:</p> <p>The LICENSEE shall submit a Financial Bank Guarantee (FBG), valid for one year, from any Scheduled Bank or Public Financial Institution duly authorized to issue such Bank Guarantee, in the prescribed Performa annexed. Initially, the financial bank guarantee shall be for an amount of Rs. 50 / 25 / 5 Crore (for category 'A' / 'B' / 'C' service areas respectively) which shall be submitted before signing the License agreement. Subsequently, the amount of FBG shall be equivalent to the 20% of estimated sum payable (of license fee for two quarters and other dues not otherwise securitized and any additional amount as deemed fit by the Licensor). The amount of FBG shall be subject to periodic review by the Licensor and shall be renewed from time to time till final clearance of all dues.</p>

2. The PBGs and FBGs of existing Licensee shall be revised to 20% of the current total amount held by the Licensor subject to the conditions in para 3 below.

3. The rationalization of Bank Guarantees shall not be applicable in following cases:
 - a. Bank Guarantees furnished or required due to any Court order or Bank Guarantees which are subject matter of any Litigation, will continue. For example, Bank Guarantees for which the Licensor has been restrained to encash by a Court order, or Bank Guarantees related to One Time Spectrum Charges (OTSC) under litigation.
 - b. Bank Guarantees of Licensees who are currently under Corporate Insolvency Resolution Process (CIRP) or related litigation, or those Licensees who have closed operations (undergoing liquidation/ liquidated).
 - c. Bank Guarantees submitted in respect of past spectrum auctions for securitization of deferred spectrum instalments, including PBGs, will continue to be held by Licensor without any reduction.
4. In case of multiple Bank Guarantees for all the licenses/ authorizations held, the Licensee shall have an option to submit Bank Guarantee(s) centrally at one place instead of Licensed Service Areas (LSAs) wise.
5. This amendment comes into effect with immediate effect.
6. This amendment shall be part and parcel of the UASL Agreement and other Terms & Conditions remain unchanged.

For example, Bank Guarantees for which the Licensor has been restrained to encash by a Court order, or Bank Guarantees related to One Time Spectrum Charges (OTSC) under litigation.
- b. Bank Guarantees of Licensees who are currently under Corporate Insolvency Resolution Process (CIRP) or related litigation, or those Licensees who have closed operations (undergoing liquidation/ liquidated).

4. In case of multiple Bank Guarantees for all the licenses/ authorizations held, the Licensee shall have an option to submit Bank Guarantee(s) centrally at one place instead of Licensed Service Areas (LSAs) wise.

5. This amendment comes into effect with immediate effect.

6. This amendment shall be part and parcel of the UL (VNO) Agreement and other Terms & Conditions remain unchanged.

Spectrum related Reforms

Government of India

No.: L-14047/08/2021-NTG

Office Memorandum

As a part of the reforms and support package for the Telecommunications sector, the Government has taken the following decisions with regard to the future spectrum assignments to Telecom Service Providers (TSPs):

- (i) For spectrum auctions to be held in the future, the requirement for the successful bidder to submit a Financial Bank Guarantee (FBG) of an amount equal to one annual instalment to securitize the instalment; and to submit Performance Bank Guarantee (PBG) for roll out obligations etc., has been dispensed with. DoT will also appropriately address the eligibility conditions for participation in the auction, so that the participants have sufficient financial capacity.
- (ii) In future auctions, access spectrum would be assigned for a period of 30 years. However, since in past auctions the reserve prices and bids were corresponding to validity of 20 years, there will be no change in the tenure for spectrum acquired in past auctions. For undertaking auction for spectrum with validity for 30 years, TRAI recommendations have been sought for associated conditions like upfront payment requirements, applicable moratorium period after upfront payments, number of deferred payment instalments and other related modalities.
- (iii) Spectrum auctions will be held normally in the last quarter of every financial year. Whenever necessary, auctions can be held at shorter intervals also.
- (iv) For the auctions conducted henceforth, TSPs will be permitted to surrender spectrum after a minimum period of 10 (ten) years. TSPs will have to inform one year prior to surrendering their spectrum. An appropriate surrender fee will, however, be charged. TRAI's recommendations have been sought on the conditions and fee for such surrender. However, the spectrum purchase dues for the remaining (post surrender) period will not be levied.

08.10.2021

- (v) For spectrum acquired in future auctions, no Spectrum Usage Charges (SUC) will be levied. The condition of minimum 3% weighted average SUC rate and SUC floor amount will also be removed. Guidelines will be issued by DOT to operationalise the decision.
- (vi) In order to encourage spectrum sharing for better utilisation and efficiency, henceforth spectrum sharing will not attract increase of 0.5% in the SUC rate. Guidelines are being issued separately.

This issues with the approval of Secretary (T).

Subject: Guidelines for Sharing of Access Spectrum by Access Service Providers

In supersession of the Guidelines for Sharing of Access Spectrum by Access Service Providers dated 24th September 2015, fresh guidelines for Sharing of Access Spectrum by Access Service Providers are as follows:

- (1). Spectrum sharing shall be allowed only for the access service providers holding Unified Access Service License (UASL) /Unified License (Access Services)(UL(AS))/Unified License (UL) with authorization of Access Service in a Licensed Service Area (LSA), where both the licensees are having spectrum in the same band.
- (2). Spectrum sharing is permitted between two Telecom Service Providers utilizing the spectrum in the same band.
- (3). Spectrum sharing is not permitted when both the licensees are having spectrum in different bands. Leasing of spectrum is not permitted.
- (4). All access spectrum including traded spectrum shall be sharable provided that both the licensees are having spectrum in the same band. Further, if more bands such as 700 MHz etc. are added for allocation of spectrum to Access service Providers through auction process, the sharing of spectrum shall also be permitted in that band.
- (5). The right to share the spectrum shall be subject to the fulfilment of the relevant license conditions and any other conditions that may be specified by the licensor/Government from time to time.
- (6). Both the licensees shall ensure that they fulfil the specified roll-out obligations and specified QoS norms.

No. L-14006//04/2015-NTG

- (7). A licensee shall not be eligible to share its spectrum if it has been established that it is in breach of terms and conditions of the licence and the licensor has ordered for revocation/termination of its licence.
- (8). Sharing is permitted in the following scenarios:
- (i). For the spectrum where both the Licensees who plan to share, possess the spectrum for which market price has been paid. Further, in respect of spectrum in 800 MHz acquired in the auction held in March 2013, sharing of spectrum shall be permitted only if the differential of the latest auction price and the March 2013 auction price on pro-rata basis on the balance period of right to use the spectrum is paid.
 - (ii). In case both the Licensees who plan to share spectrum are having the administratively allotted spectrum in that band, the sharing of spectrum is permitted only when both the licensees have paid One time Spectrum Charges (OTSC) for their respective spectrum holdings, above 4.4 MHz (GSM) / 2.5 MHz (CDMA) based on reserve price/auction determined price. However if the said amount is not paid due to judicial intervention in judicial forums barring any coercive action, in the interim, sharing of spectrum in such cases will also be permitted subject to submission of a bank guarantee for an amount equal to the demand raised by the department for one time spectrum charge pending final outcome of the court case.
 - (iii). In case of proposed sharing where one Licensee has spectrum acquired through auction/trading or liberalized spectrum and the other has spectrum allotted administratively, sharing is permitted only after the spectrum charges for liberalizing the administratively allocated spectrum are paid. Further, in case of spectrum acquired in auction held in March 2013, differential amount as indicated in para 8(i) above shall be payable in respect of 800 MHz band.
- (9). The use of technology shall be governed by the terms and conditions of respective Notice Inviting Application (NIA)/license.

No. L-14006//04/2015-NTG
Government of India
Ministry of Communications
Department of Telecommunications
WPC Wing, 6th floor, Sanchar Bhawan, New Delhi

- (10). Both the licensees will be individually and collectively responsible for complying with the sharing guidelines, including interference norms.
- (11). Spectrum sharing will be restricted to sharing by only two licensees subject to the condition that there will be at least two independent networks provided in the same band.
- (12). Spectrum sharing shall not attract any increase in rate of Spectrum Usage Charge (SUC), w.e.f. 01.10.2021.
- (13). The prescribed limits for spectrum cap shall be applicable for both the licensees individually. Further, the spectrum holding of any licensee post-sharing shall be counted after adding 50% of the spectrum held by the other licensee in the band being shared being added as the additional spectrum to the original spectrum held by the licensee in the band.
- (14). Spectrum sharing shall be available for upto the balance period of the licence or upto the period of right to use spectrum, whichever is earlier.
- (15). Both the licensees sharing the spectrum shall jointly give a prior intimation for sharing the right to use the spectrum at least 45 days before the proposed effective date of the sharing. Application format is attached along with these guidelines as Annexure-I.
- (16). Both the licensees shall also give an undertaking that they are in compliance with all the terms and conditions of guidelines for spectrum sharing and the licence conditions and will agree that in the event, it is established at any stage in future that either of the licensee was not in conformance with the terms and conditions of the guidelines for spectrum sharing or/and of the licence at the time of giving intimation for sharing of right to use the spectrum, the Government will have the right to take appropriate action which inter-alia may include annulment of sharing arrangement.
- (17). A non refundable processing fee, as prescribed from time to time, shall be payable individually by each licensee for each service area at the time of intimation to WPC Wing. At present, processing fee of Rs. 50,000/- is to be paid.

Addressing Liquidity requirements of TSPs

F.No.3/2/2021-PPU
Govt. of India
Ministry of Finance
Department of Economic Affairs
(IPP Division)
North Block, New Delhi
Dated: 13th October, 2021

OFFICE MEMORANDUM

Subject: REFORMS AND SUPPORT PACKAGE FOR TELECOM SECTOR-Reg

The undersigned is directed to refer to O.M. no. 31(01)/PFC-II/2021 dated 5/10/2021 from Department of Expenditure, on the above cited subject and issue the following guidelines for implementation, pursuant to the decisions of the Cabinet.

**Guidelines on Payment of Interest Amount on Account of Protection of NPV on
Deferred Spectrum Auction dues and AGR-related dues**

I. Background

In the backdrop of the performance of the Telecom Sector in meeting COVID-19 challenges, with huge surge in data consumption, online education, work from home, interpersonal connect through social media, virtual meetings etc., the Government had announced several reform measures to boost the proliferation and penetration of broadband and telecom connectivity.

To provide relief, in public interest, by easing liquidity and cash flow to the Telecom Service Providers (TSPs) and help various banks having substantial exposure to the Telecom sector, the following measures were announced

- Moratorium/Deferment of four years in annual payments of dues arising out of the AGR judgement, with however, the Net Present Value (NPV) of the due amounts being protected.
- Moratorium/Deferment on due payments of spectrum purchased in past auctions (excluding the auction of 2021) for up to four years with NPV protected at the interest rate stipulated in the respective auctions.
- The TSPs shall be given the option to convert the interest amount, arising out of protection of NPV on account of deferred spectrum and AGR dues, pertaining to the moratorium period, into a loan and issued to the President of India as equity.

II. Procedure for conversion of interest accrued to into a loan and issued to the President of India as equity

The Government has decided that the TSPs shall be provided the opportunity to exercise the option for equity conversion of interest dues upfront. The TSP may choose to pay the interest in cash, along with deferred amount, or by way of equity. The TSPs are hence required to

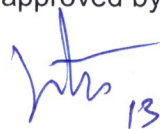

communicate to DoT within the timeframe of 90 days, from date of notification by DoT, election of the option to convert the interest amount, arising out of protection of NPV on account of deferred Spectrum auction and AGR-related dues, pertaining to the moratorium period into equity.

1. If a listed company opts to convert the interest that would accrue on the instalments/ payments during the moratorium period into equity, valuation of the equity shares will be done in the following manner:
 - a. The necessary order for invoking Section 62 (4) of the Companies Act will be issued by the competent department, based on proposal from DoT, directing that the present value of the interest on the deferred AGR-related and Spectrum auction dues during the moratorium period shall be treated as a loan to the Company and then converted from loan to equity shares in the company.
 - b. The equity shares would be issued by the company to the Government on preferential basis.
 - c. The relevant date for pricing of equity or preference shares will be 14.08.2021.
 - d. The price of the equity or preference shares shall be equal to higher of the average of weekly high and low of the volume weighted average price of the equity shares during the last 26 weeks preceding the relevant date or the two weeks preceding the relevant date; subject to the provision under Section 53 of the Companies Act (i.e. shares cannot be less than par value).
2. For unlisted companies, the valuation of shares shall be done by DIPAM following normal accepted principles and by suitably invoking Section 62 (4) of Companies Act as and when required.

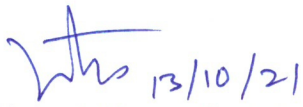

III. **Procedure for approval**

1. The process shall be initiated after receipt by the DoT of the written consent from the TSPs for conversion of interest dues into loan. DoT shall obtain from the TSPs the audited financial statement of the immediately preceding financial year (i.e. 2020-21).
2. For this purpose, the amount of interest dues covered by the moratorium shall be deemed to be a loan, including for the purposes of Section 62 (4) of the Companies Act.
3. Details of interest amount will be furnished by the TSPs and thereafter certified by DoT. The NPV of the interest amount will be calculated by DoT as on the date of exercise of option by the TSPs. This interest amount will continue to be treated as a loan to the Company till the completion of the equity infusion process. DoT will obtain relevant share prices for listed companies from the TSPs along with the proposal.
4. The option of conversion of the interest amount into equity shares shall apply only to those instalments covered by the moratorium and not to subsequent instalments. The conversion of interest dues to equity will be a one-time option to be exercised upfront.
5. The Government at its sole discretion may convert any part of the such loan to preference shares instead of equity shares, and such preference shares may be optionally or compulsorily convertible and/or redeemable and/or participating in nature. The price of any preference shares for the purpose of conversion of the loan shall be equivalent to equity shares.
6. The proposal for listed companies received from DoT in this regard will be processed by DIPAM in consultation with DEA and shall be approved by the Finance Minister.

13/10

7. The proposals received from Unlisted Companies for conversion of interest accrued to equity, if any, shall be examined by a Committee chaired by Finance Secretary and members of the Committee shall be Secretary (DEA), Secretary (Telecommunications), Secretary (DIPAM) and Secretary (Corporate Affairs). The proposals for Unlisted Companies recommended by the committee shall be approved by the Finance Minister.

This issues with the approval of Minister of Finance.

Annexure-VIII to Unified License Agreement

List of other income to be excluded from GR to arrive at ApGR

Sl. No.	Item/ Head of 'Other Income'	Description and conditions applicable
a.	Income from Dividend	<p>Income from dividend is return on investment made by the company. Such investment is made out of surplus funds available with the company. Companies Act, 2013 and Accounting Standard-9 classified dividend income as 'other income' i.e., distinct from the core operations of the entity.</p> <p>Therefore, income from dividend shall not be part of ApGR for the purpose of computation of LF.</p>
b.	Income from Interest	<p>Income from interest is return on investment made by the company in bank deposits, corporate deposits, debentures etc. Such investment is made out of surplus funds available with the company. Also sometimes, Licensee receives interest from Tax Authorities on advance tax or refundable tax. Companies Act, 2013 and Accounting Standard-9 classified interest income as 'other income' i.e., distinct from the core operations of the entity.</p> <p>At the same time, Licensee accepts refundable deposits from customers, telecom vendors and other Licensees. These deposits essentially are part of telecom operations. The interest income earned on such amounts should be recorded and certified by statutory auditors.</p> <p>Therefore, income from interest shall not be part of ApGR for the purpose of computation of LF. However, interest earned on refundable deposits from customers, telecom vendors and other Licensees shall be considered in ApGR for the purpose of computation of LF. Also, any refundable deposit received by the Licensee on the strength of telecom service viz. linkage with tariff, advance rental etc. shall also have similar treatment for inclusion in ApGR.</p>
c.	Capital gains on account of profit on sale of fixed assets and securities	<p>Capital gain earned by the Licensee on the account of profit on sale of assets and securities, are of from investing activities instead of from telecom operations. Therefore, the revenue on account of sale of immovable property, securities, warrants or debt instruments, other items of fixed assets shall not be part of ApGR for the purpose of computation of LF.</p>
d.	Gains from Foreign Exchange rates fluctuations	<p>Foreign Exchange differences arise when actual rates at the time of settlement differs from those at which they were initially recorded in the books. The provisions contained in the Accounting Standard-11 require a notional entry for exchange differences in respect of liabilities at the closing date of the AFSs. The foreign exchange gains reflected in the profit and loss statement of Licensee could arise from</p>

		<p>reduction of payment liability or increase in the value of foreign exchange accounts receivables. In other words, foreign exchange fluctuation is a contingency which has impact on every business which may have something to do with foreign exchange and is not specific and unique to telecom business.</p> <p>Therefore, revenue/profit arising out of upward valuation or devaluation on account of fluctuation of foreign exchange shall not be part of ApGR for the purpose of computation of LF.</p>
e.	Income from property rent	<p>Licensee may rent or lease part of their properties and earn revenue in the form of rent. Some Licensees as part of staff welfare measure provides staff quarters to their employees and receive rent from such staff. Revenue from rent cannot be distinctly treated as only from telecom business. Therefore, revenue/income from property rent shall not be part of ApGR for the purpose of computation of LF. In case property is let out for 'establishing, maintaining and working of telecommunication', then revenue/income from such rent shall be considered in ApGR for the purpose of computation of LF.</p>
f.	Insurance claims	<p>A receipt from Insurance company against loss of property/ fixed assets is basically a reimbursement in nature for the loss occurred by the Licensee. Receipt of insurance claim from insurance company shall not be part of ApGR for the purpose of computation of LF.</p>
g.	Bad Debts recovered	<p>Bad debt is an amount owed by a debtor that is unlikely to be received/ realized and recognized as an expense in the books of accounts. Bad Debts recovered represents reversal of debits (i.e. bad debts) appearing in the profit and loss account of previous year(s). This basically represents an adjustment to the amount of an expense (i.e. bad debts) as estimated in an earlier year(s) in which it had already recorded as part of revenue from operations.</p> <p>Therefore, income on account of bad debts recovered shall not be part of ApGR for the purpose of computation of LF.</p>
h.	Excess Provisions written back	<p>Excess Provisions written back represent the reversal of excess provision made for any liability or expenses in any previous year. On settlement, this excess provision is written back into books of accounts as other income. This basically represents an adjustment 60 instead of actual revenue earned.</p> <p>Therefore, income on account of excess provisions written back shall not be part of ApGR for the purpose of computation of LF.</p>
