

Profile of the company

White Water Solutions specialize in providing comprehensive regulatory consulting services to IT and ITeS companies/enterprises operating in India. Our team of experts comes with decades of experience in navigating the complex world of telecom regulations supervised by the Department of Telecommunications (DoT) and the Telecom Regulatory Authority of India (TRAI). We offer a wide range of services, including consulting and sharing advisory to the cloud telephony providers (CPaaS, CCaaS, etc.) with the appropriate license requirements, applying and procuring the license, and maintaining all the routine compliances associated with the license. In addition to this, we also hold expertise over Other Service Providers (OSP) compliances, toll bypass regulations, internet telephony guidelines, telemarketing (TCCCPR 2018) regulations etc. We work closely with our clients to understand their unique needs and goals.
